VIII CONGRESS ON PLANT PROTECTION

*Integrated Plant Protection for
Sustainable Crop Production and Forestry*

SECOND ANNOUNCEMENT

On behalf of the Plant Protection Society of Serbia (PPSS), two sections of the International Organization for Biological and Integrated Control (IOBC-EPRS and IOBC-WPRS), and national plant protection societies from Bosnia and Herzegovina, Bulgaria, the Czech Republic, Croatia and Slovenia, we have the pleasure of inviting you to attend the VIII CONGRESS ON PLANT PROTECTION.

The Congress intends to promote knowledge exchange and international cooperation, and to enable further exchange of up-to-date scientific and technical information on plant protection in agriculture, forestry and landscaping among researchers, teachers, experts in extension and public services and business community. The Congress should contribute to identifying new approaches, tools and techniques to meet future needs and challenges facing the science of crop protection.

Zlatibor, Serbia
November 25-29, 2019

Conveners

Brankica Tanović – **President of PPSS**
Victor Dolzhenko – **President of IOBC-EPRS**
Philippe Nicot – **President of IOBC-WPRS**
